## Let's enjoy in a short time! Route for Cyclist

It takes...  
Depends on  
the speed of bicycle

Your trip starts from here!  
Please feel free to ask us  
if you have any questions!

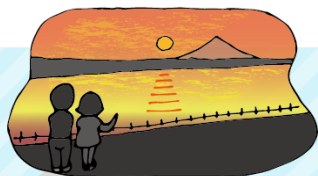

### Michi-no-Eki Teshio

**START !**

### Teshio Riverside Park

- Collaboration of beautiful sunset over the river and the Rishiri-Fuji are spectacular!
- Around 6 to 6:30 pm of sunny day is good to see beautiful evening scenery (Best time is different depending on the season).

### Toraya (Pastory shop)

- "Kuroi Purin" (milk pudding) is famous product. Its black color comes from bamboo charcoal.
- You can get bread on Tuesday, Thursday and Saturday.

Opening hours : 9: 00-19: 00

### Teshio Onsen "Yūbae"

- Teshio Onsen is very unique because its color is brown, the water is salty, and has smell of ammonia! However, it makes your skin beautiful. You will be addicted to it.
- The facility has hotel, restaurant, co-working space and so on.

Opening hours : 11: 00-22: 00 (Reception of bathing : closed at 21:00)  
Entrance fee : 600 yen

**GO NEXT !**

- You can stay by camping or using bungalows.
- You can see different kinds of wild birds and flowers around the swamp depending on the season.
- There is a walking trail around the swamp (it takes about 30 minutes).
- You can enjoy barbecue at the barbecue facility in the park.

### Kagaminuma Seaside Park

### Kawaguchi Historical Ruins

**Kawaguchi Historical Ruins**  
It replicates the dwelling of Ainu people during the Epi-Jōmon period. You can enter inside of the dwelling!

### Teshio Itsukushima Shrine

**Teshio Itsukushima Shrine**  
The guardian deity of people working in the Sea of Japan and Teshio River is enshrined. There are guardian dogs are said to be the oldest in Hokkaido.

### Let's have dinner!

#### We recommend...

**If you eat in restaurant...**  
◀ BBQ Restaurant "Tachibana"  
You can eat local Suffolk sheep meat! The taste is excellent because it is smellless and has rich fat.

**If you cook by yourself...**  
Supermarket "Chūō" ▶  
You can buy ingredients and cook at the barbecue facility in Kagaminuma Seaside Park or you can get side dish also.

Please look on the reverse side for more information.

Let's check  
the 45°N  
monument!

Northernmost  
point of Japan!

### Wakkanai
